# Homelessness Plan

Pasadena Continuum of Care (CoC)

## **Pasadena Continuum Of Care**

One of the 400+ homelessness planning bodies designated by the U.S. Department of Housing and Urban Development (HUD) to directly receive federal funding. This has evolved to include state and local funding.

### **PURPOSE**

The CoC is the primary planning entity and coordinates resources for people experiencing homelessness.

### **WHO IS IN THE COC?**

Network of local stakeholders, service providers and community members, systems partners, City of Pasadena Departments

### **CITY'S ROLE**

Managed by Housing Department  
Legal and fiscal entity  
Staff oversee grants and programming

# Homelessness Plan

## **Why Now?**

The State made funding available to update the CoC's Homelessness Plan to making homelessness rare, brief, and non-recurring in Pasadena.

## **Purpose**

The intention of this process is to develop clear goals and strategies grounded in evidence-based best practices to help reduce homelessness in the City.

The plan will serve as a roadmap for addressing the homelessness crisis in Pasadena.

# Community Engagement

---

The Homelessness Plan is the result of robust a robust community engagement process, with input from over 400 community members.

**216**

## Survey Responses

Feedback from the community at large was received through an online survey

**9**

## Interviews

Ten regional & system partners provided feedback during nine targeted interviews

**8**

## Focus Groups

57 people with lived experience informed the needs assessment during eight focus groups

**9**

## Listening Sessions

106 stakeholders offered feedback in four listening sessions with CoC members & five City Commissions

**5**

## Workgroups

54 people developed goals and strategies to address the community engagement findings in 5 planning workgroups

An aerial photograph of a city, likely San Francisco, showing a mix of historic and modern architecture. The central focus is a large, white, domed building with classical architectural features. To its right is a large, modern, white building with a grid-like facade. The surrounding area includes residential neighborhoods with houses and trees, and various commercial buildings. The lighting is bright, suggesting a sunny day.

disparities in  
language access**

**Measure progress in  
eliminating  
disparities**

**Foster community  
education**

**Equity &  
Respect**

# **CRISIS RESPONSE**

# Crisis Response

The crisis response system plays a vital role in providing support to people experiencing homelessness, offering a range of services such as shelter, street outreach, and resources that meet people's immediate needs.

- 10 Strengthen response coordination & referrals
- 11 Target outreach to equitably meet the needs of unsheltered people
- 12 Strengthen & expand emergency shelter & interim housing programs
- 13 Ensure shelters are safe, secure, and clean
- 14 Strengthen & increase access to essential services

## Goal 10

### Strengthen the Response Coordination & Referral System

Streamline service access through online resource center

Strengthen collaboration between crisis response providers

## Goal 11

### Target street outreach to equitably meet the needs of unsheltered

Person-centered outreach

Enhanced collaboration through online platforms & regular meetings

Enhanced quality of data collection, outcome tracking, and reporting

Crisis  
Response

## Goal 12

Strengthen system partnerships

Maximize funding streams

Peer advocate programs

#### **Move-On Support**

Formalized moving-on programs

Sustained services

**PREVENTION**

# Prevention

Prevention programs address the underlying factors that lead to housing instability, intervening before people experience homelessness. By providing early support and resources, prevention initiatives help households facing a housing crisis maintain stable housing and avoid the trauma of homelessness.

- 18** Establish a Prevention Committee
- 19** Reduce inflows to homelessness
- 20** Strengthen tenant supports

## Goal 18

# Establish a Prevention Committee

To create a unified effort and drive local prevention strategies, the CoC will establish a cross-sector Prevention Committee.

## Goal 19

# Enhance Prevention Efforts

### **Increase access to prevention services**

- Online resource center
- Targeted outreach

### **Target support to people most at-risk of becoming homeless**

- Assess local needs
- Develop a prevention prioritization mechanism
- Co-location of services
- Meet non-financial needs
- Prevention & Equity Committee collaboration

## Goal 20

# Reduce Inflows to Homelessness

### **Bolster discharge planning coordination with upstream system partners**

Support hospitals and foster care system in improving discharge planning for people at-risk of homelessness

Strengthen the connection between prevention services and reentry and probation providers

### **Strengthen tenant supports**

Increase community awareness of legal services

Offer information on tenant protections in the online resource center

Advocate for stronger tenant protection policies

Prevention

# Next Steps

## Implementation Plan

Staff will work to develop an implementation plan.

## Measuring Progress

Progress toward the plan's targets will be closely monitored on an ongoing basis.
